Insulation

Fibre-free Core

AUSTRALIAN MADE

AIR-CELL® Permicav® XV

Vapour-permeable Insulation for Walls with Cavities

- 3-in-1 insulation, vapour-permeable membrane and reflective barrier
- Wall cavities remain unfilled and accessible for services
- Water-resistant and unaffected by moisture

Thermal Performance

Kingspan AIR-CELL ® Permicav XV Total R-value		
Application	Heat flow in	Heat flow out
Double brick cavity wall	R1.9	R1.8
Brick veneer wall	R1.8	R1.8

NCC 2019 prescribes different methods to determine Total R-value Calculations for Volume 1 and Volume 2

The R-values shown are Total R-values for the building element as required by the Energy Provisions of the NCC, calculated in accordance with AS/NZS 4859.2 2018 & as required NZS 4214. Kingspan AIR-CELL® products are manufactured, tested and packaged in conformance with 4859.1:2018.

**Johns Building Supplies thanks you for your continued support and as per normal we endeavour to keep these increases to a minimum. Due to the tight margins that we generally operate under, these increases cannot be absorbed.

SAVE THE DATE!!

It's nearly time to say goodbye to another tough and unpredictable year for everyone, and celebrate the Christmas break with the Annual Johns Building Supplies Christmas Party!

Details

A casual BBQ and Drinks will be held in the JBS Carpark for all to attend!

Date: Friday 17th December 2021
Time: 2pm onwards

Just bring yourself and a sit back and relax!

CHRISTMAS CLOSURE

Please take note of the following closure for Johns Building Supplies over the Christmas Period.

Closed : Friday 24th December 3.30pm
Open : Tuesday 4th January 6am.

For any enquiries in regards to deliveries and stock availability before this time, please contact the JBS Sales Team.

We'd like to thank you all for your continued support throughout what has been another challenging year for all and we look forward to seeing you at our end of year Christmas BBQ!
