Johns Building Supplies

Since the Feb Newsletter advising of our new warehouse, the following has either taken place or is part of the planning.

- Racking installed as required
- Designated stock has been moved to the new location (this process will take a few weeks as we work around our busy daily tasks)
- Final move will be completed over a weekend & trading to commence on the Monday following
- A relay will occur to parts of our main warehouse, resulting in greater efficiencies & improvement to our overall customer service

As soon as we have the opening date confirmed we will advise accordingly.

JAMES HARDIE WINNER

Last year James Hardie ran their Fine Texture Cladding promotions to WIN a Cladding Instal Kit valued at \$3000.

We were extremely pleased to hear that Avon Homes was one of the lucky competition winners!! It was great to have Matt Sgro from James Hardie come and present the winner Kit to Brett Le Bron from Avon Homes.

Congratulations Brett and Avon Homes!

The image is a composite. On the left is a promotional graphic for the 'Hardie Fine Texture Cladding Install Kit'. It features the word 'WIN' in large green letters, a hand pointing to it, and a circular inset showing a worker. Below this, it states 'Hardie Fine Texture CLADDING INSTALL KIT Valued @ \$3000'. A list of included items is provided: 'Kit includes: Makita Plunge Saw and Vac Kit, Paslode Brad Nail Gun, James Hardie merchandise.' Further down, it says 'Simply purchase Hardie Fine Texture Cladding to go in the draw. 5 kits to be won!' and describes the cladding as a 'pre-textured fibre cement panel'. At the bottom are three icons: 'SAVE TIME', 'SAVE COST', and 'SAVE COM'. On the right is a photograph of four men standing on a construction site in front of a white building with 'James Hardie' branding. In front of them is a large blue Makita vacuum cleaner box, a blue toolbox, and other construction equipment. The men are dressed in work attire, including high-visibility vests.
